Event or League Sponsor Agreement

Archery Solutions (AS) hereby agrees to provide access to building and/or land, equipment, supplies, or materials for archery use by the sponsor. AS further agrees to provide Sponsor a list of Range Safety Officer's (RSO's) who have signed Service Agreements with AS and who might be available to serve as an RSO for Sponsor.

The sponsor agrees:

1. To have read and abide by the range rules at all times while using property owned by AS.
2. To obtain an RSO to supervise and be present during any and all shooting activities on AS property. Only RSO's approved by AS will act in such capacity on AS property. RSO acts as an independent contractor and may charge a fee for service.
3. To assist the RSO in conducting a safe and enjoyable shooting environment for participants.
4. To pay AS usage fees based on rates existing at the time of scheduling or per another agreed upon written contract.
5. To pay for any property damage that may occur during the event or league.
6. To pay a deposit of \$500 before use of AS property at the time dates are approved and scheduled by AS. The \$500 will be applied first to any property damage that may occur, next to actual fees due AS, and any excess will be refunded within 30 days after the event or final league night (whichever is later).
7. To have each participant read, sign, and date a Participant Waiver Form.

Sponsor agrees to hold AS harmless from any and all claims arising from the use of AS property by said Sponsor. Sponsor is responsible for using property in a safe manner consistent with its intended use. Sponsor agrees to use property "always under the supervision" of a properly certified National Field Archery Association (NFAA) archery instructor, who is in active status and good standing with NFAA, and who has signed a service contract with AS to serve as a Range Safety Officer (RSO).

By signing this agreement, Sponsor agrees to the terms herein. AS signer warrants that he/she has the authority to execute this contract.
